Supporting Older Neighbours

Following the success of the Age UK pathfinder project carried out in March 2010, the Supporting Older Neighbours Training Manual has been added to the 'My NHW' website for other NHW members to use. This training pack has been produced to help you as a NHW Coordinator to work effectively with older people. NHW and Home Watch believe in strong, active communities, working in partnership with the police, and this sense of shared values is focused on bringing local people together to build safer and stronger communities and neighbourhoods. Strong communities are made up of everyone who lives in them, including older and potentially vulnerable people who may need additional support, so this pack provides useful information and advice aimed at helping you and your group to offer assistance for older people in your area. You can find this manual by visiting the link below:

The Big Lunch

The Neighbourhood and Home Watch Network are supporting The Big Lunch again this year. NHW and The Big Lunch have a common interest in the community and looking out for our neighbours. The Big Lunch will take place on Sunday 18th July across the UK, where people sit down and have lunch in the middle of their street as a simple act of community. It took place for the first time last year and there were over 8,000 lunches in every kind of community all across the UK, with 80% said they felt closer to their neighbours as a result.

As members of a Neighbourhood or Home Watch group you already have some contact with your neighbours, which is great. Why don't you use The Big Lunch as an excuse to get together outside of the normal meetings to celebrate what has been achieved, recruit new neighbours to the group or start a new neighbourhood project?

To find out more about The Big Lunch and to download poster and leaflets, please visit

www.thebiglunch.com, have a chat with the team on 0845 850 8181 or email

Police Surgeries

All residents are welcome to come along and meet their Neighbourhood Policing Team at any of the surgeries listed below in the 'Dates for your diary' section. It's a great opportunity to talk to your Neighbourhood Policing Team personally and to discuss any issues of concern and to find out what they are doing to make your area safer. They will also have crime prevention advice, and will be able to give out information regarding Immobilise and E-cops.

Alternatively, if you are unable to come along and see them, then please let me know as they will happily call round for a home visit or chat to you on the phone if that is more convenient.
