STORAGE POLICY

Witchford Village Hall has a number of storage areas, including cupboards adjacent to the stage and a loft accessed from the committee room. The WPFA, at its discretion, permits the groups that are regular users of the facility to store equipment and other articles in these areas, subject to the following conditions:

1. No flammable liquids or gases may be stored
2. All articles must be stored tidily and not present a hazard to employees or users of the hall
3. All articles must be clearly marked with the identity of the group concerned
4. The group will be assigned an area for their own use – this must not be exceeded without the prior permission of the WPFA
5. The WPFA accepts no liability for any damage or loss to equipment or articles, however caused

The WPFA reserves the right to inspect any group's equipment without notice, and to require the immediate removal of any items that do not comply with this policy.
